Mizuho Capital Partners Co. Ltd

Notice Regarding Share Acquisition of TAKASAKIJIMUKI Corporation

We are pleased to announce that the MCP5 Investment Business Limited Liability Partnership, which Mizuho Capital Partners Co. Ltd (hereinafter, "Our Company") is commissioned to manage, has acquired the shares of TAKASAKIJIMUKI Corporation (hereinafter, "TAKASAKIJIMUKI") via a special purpose entity.

Based in the Kanto region, TAKASAKIJIMUKI primarily operates rentals of modular housing units for use on construction sites. With business relationships based on a long business history with its clients over the years, TAKASAKIJIMUKI has achieved sustainable growth over a long period of time by being able to meet customer's needs by providing housing units together with fixtures and fittings, as well as its one-stop service that handles everything from orders to deliveries and installations.

Furthermore, the current Representative Director Isao Amada will continue in his role in the company. Going forward, Mr. Amada, along with all of the executives and staff, will aim to grow the business even further together with Our Company by strengthening our operating base and management structure.

Our Company Overview

Our Company is commissioned to manage buyout funds and mezzanine funds. Since its founding in 2000, Our Company has been commissioned to manage a cumulative total of five buyout funds, worth a sum total of approximately 120 billion yen. The MCP5 Investment Business Limited Liability Partnership that Our Company is commissioned to manage is a private equity fund that aims to enhance corporate value, providing hands-on support for a variety of succession, growth, and capital restructuring issues that businesses face, with a focus on small- and medium-sized companies.
